- Identify and raise client accounting and business issues with senior staff and contribute to resolving issues and recommending possible solutions
- Develop and maintain relationships with clients and external third parties and be able to deal with them directly.
- Work with your Team Leader to plan and manage engagements, and to ensure deliverables meet work plan specifications and deadlines
- Ensure all work & client files comply with Collins & Co quality systems & procedures.
- Seek to generate a harmonious & communicative team environment where assistance is rendered to fellow team members readily.
- Assist team members and manage and train junior staff
- Assist when required in the training & mentoring of new practice staff members.
- Assist in the preparation of draft client bills and ensure that the client is invoiced in a timely manner.
- Work with Team Leaders and Managers to ensure that the Practice has appropriate procedures in place to ensure consistent overall quality & delivery of services to clients – especially in the area of tax and business services.
- Keep up to date with developments in the Accounting Profession – especially in the field of taxation.
- Attend, on a regular basis, Practice briefing meetings as required.
- Attend all team meetings when required.
- Where applicable, represent the practice at meetings with third parties, customers/clients and key industry functions.
- Implement initiatives in accordance with Practice Partnership policies.
- Where appropriate, work with third parties on Collins & Co client matters.

- In consultation with your Team Leader and the appropriate Partner, broaden your professional skills in areas that may not be directly related to taxation.
